PROFILE  
portfolio

## OUR GOAL

Entrepreneurs, companies and organizations all share the same goal: to create, develop and provide products/services that will ultimately make a better life. At Andtechnology, we also share this same goal and we have developed various applications to help our clients to achieve this goal.

## YOUR NEEDS + OUR WORKS --- --- **GREAT RESULT**

## WHO WE ARE

We are an award winning development team (winner of the Best Android Application, Best Use of Technology and Best Startup at SparxUp 2011 Innovation Award). Together, we create a strong, result-oriented team of IT experts who are passionate about web and mobile technologies and delivering high quality, cost-competitive solutions to our clients.
